9. (Unclassified - RLB) LEGISLATION Spoke with Jon Holstine, on the staff of the Subcommittee on International Operations, House International Relations Committee, and Peter Abbruzzese, on the Committee staff, to get their reading on the Subcommittee's mark-up session yesterday on the State Department Authorization bill and subsequently to find out whether the Senator William W. Proxmire (D., Wis.) "gift" amendment had been included in the Subcommittee version. Neither Holstine nor Abbruzzese were present at the mark-up session but they told me that they had heard that the gift amendment provision was not going to appear in the House version of the bill. They suggested that I check further with Dr. Al Westphal, of the Committee staff, and they promised to keep me informed of further developments in the matter.

10. (Unclassified - RJK) FBIS Delivered to the offices of Senator's Barry Goldwater (R., Ariz.), Edward M. Kennedy (D., Mass.), Dick Clark (D., Iowa), Mike Mansfield (D., Mont.), Henry M. Jackson (D., Wash.), George McGovern (D., S. Dak.), and William W. Proxmire (D., Wis.) FBIS items in which their names were mentioned.

11. (Unclassified - RJK) ADMINISTRATIVE - DELIVERIES Delivered to Kathy Sullivan, on the staff of Representative Joseph G. Minish (D., N. Y.), a copy of the Agency Middle East atlas, per her request.

12. (Unclassified - RJK) ADMINISTRATIVE - DELIVERIES Delivered to Margaret Izzard, on the staff of Senator James B. Pearson (R., Kan.), a map of the USSR, per her request.

13. (Internal Use Only - RJK) LIAISON Spoke with John Dean, on the staff of Representative Charles Rose, III (D., N. Car.), concerning his request for information about the "Voice of Freedom," a Vietnamese broadcast program. A Vietnamese refugee, whom the Congressman is trying to assist, had listed the organization as a former place of employment and the Congressman was interested in knowing more about it and whether it was Agency run. After speaking with [redacted] I advised Mr. Dean 25X1 that it was not Agency run but that it was a South Vietnamese broadcasting organization beamed at Viet Cong and North Vietnamese for the purpose of encouraging them to rally to the side of the South Vietnamese.

14. (Unclassified - THW) LEGISLATION Called Jack Brady and Everett Bierman, on the staff of the House International Relations Committee, and thanked them for getting our language into the conference report on S. 2662, clarifying the language restricting narcotics enforcement action overseas.

15. (Unclassified - WPB) LEGISLATION Called Dave Schaefer, Majority Counsel, Senate Government Operations Committee, and discussed the Agency's problems with a financial disclosure provision in S. 495, which the Committee is in the process of marking up. Schaefer said he was aware of the problem and that he had discussed it with John Childers, Minority Counsel. He expected the inclusion of an exemption for intelligence personnel.

16. (Unclassified - WPB) LEGISLATION Stopped by to see Tom Hart, Senate Judiciary Committee staff, about the conference on the Federal Election Campaign Act today. Senator Robert Byrd (D., W. Va.) is one of the conferees, and Hart assured me that Senator Byrd knew of the financial disclosure problem and would raise the issue at the conference.

17. (Internal Use Only - WPB) LEGISLATION Stopped by to see the following individuals to discuss the Agency's problems with the financial disclosure provision in the Senate version of the Federal Election Campaign Act: Tom Cooper, Minority Counsel, House Administration Committee; and Larry Smith and Andrew Gleason, Senate Rules Committee staff. I provided each with a one-page summary of the problem and possible remedial language. Each felt their respective bosses would seek to accommodate the Agency's interests at the 4:00 p.m. conference committee meeting today.

18. (Unclassified - WPB) LEGISLATION Dropped off with Senator Howard Cannon (D., Nev.), Chairman of the Senate Committee on Rules and Administration, a letter from the Director concerning the financial disclosure provision in the Senate version of the Federal Election Campaign Act.

19. (Unclassified - WPB) LEGISLATION John Childers, Minority Counsel, Senate Government Operations Committee, called concerning the Committee's mark-up of S. 495. We discussed the financial disclosure section in the bill. He said that Senator Charles Percy (R., Ill.) would seek a provision which would accommodate Agency "cover" interests. He believed that the majority staff and members were amenable to such a provision.

4. [] LIAISON Called Tom Smeeton, on the Minority Staff of the House International Relations Committee, and told him that our position with respect to the value of certain intelligence bases [] had not changed since we briefed the Committee last fall. He said that Representative William Broomfield (R., Mich.) would request a briefing, but would wait until after the recess when the Committee would be to a point in mark-up nearer to the country issue.

5. [] LIAISON In the absence of Frank Slatinshek, Counsel, House Armed Services Committee, I left a note with his secretary, Berniece Kalinowski, outlining the allegations that the Agency was biased in its role in the export licensing area. I mentioned that the charges seemed to stem from a lack of knowledge of the Agency's minimal role in this procedure.

6. [] EMPLOYMENT REQUESTS Took a call from Jack Brady, on the staff of the House International Relations Committee, who said that an old friend was coming to town about 15 April looking for a job, and asked if we could set up an interview for him. The friend's name is [] [] is setting up an appointment and will pass on the information to Brady.

7. [] BRIEFING Called Tom Smeeton, Minority Staff, House International Relations Committee, and told him that Representative William Broomfield's (R., Mich.) concern regarding Agency briefings of groups such as the Republican Conference had been relayed to the Director, who said that he would be happy to abide by the decisions of the Conference. Smeeton said that he had explained our position to Representative Broomfield (i.e. substantive intelligence only, not operations; purpose was to help Representatives do their job better), and that Representative Broomfield's apprehension had subsided somewhat.

8. (Unclassified - THW) BRIEFING Spoke with Victor Johnson, on the staff of the Subcommittee on International Trade and Commerce, House International Relations Committee, to see what the disposition was as to our request for a separate session at the upcoming hearing. He said that the staff had recommended that we testify separately, but that he could not guarantee that the members would abide by that suggestion.

9. (Unclassified - RJK) LIAISON Spoke with Holmes Brown, on the staff of Senator Floyd K. Haskell (D., Colo.), and told him that we would send the several [redacted] that he requested to him by courier this afternoon.

10. (Internal Use Only - RJK) LIAISON Spoke with Clara Buchanan, Senate Foreign Relations Committee staff, and told her that we would send [redacted] that she requested for John Ritch, on the Committee staff, to her by courier this afternoon. I reminded her that the information should be used for background purposes only and not attributed to the Agency and she agreed to these ground rules.

11. (Internal Use Only - RJK) LIAISON Brian Benson, Senate Republican Policy Committee staff, called requesting background information on the recent Agency paper on Soviet military expenditures. After discussions with [redacted] called Benson and agreed to allow Benson to visit the Agency on 9 April for a one hour discussion with some of our experts in that area.

12. (Internal Use Only - RLB) LEGISLATION Spoke with Jon Holstine, on the staff of the Subcommittee on International Operations, House International Relations Committee, to get a final reading on how the Subcommittee dealt with Senator William W. Proxmire's (D., Wis.) "gift" amendment during the Subcommittee's mark-up session on Tuesday, 6 April. He stated that the gift amendment was not considered by the Subcommittee and, consequently, would not appear in their version of the bill. He said that he was working on getting out a Subcommittee version of the bill and would make it available to me. We agreed that the next step would be to make certain that the full Committee did not take up the gift amendment, and later to approach the Senate conferees and attempt to have them recede on the inclusion of the amendment. As a fall back position, John noted that he will retain our remedial language, but that if it became necessary to use that technique he would consult with me and we would make certain that the language was not attributable to the Agency.
